Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Thursday 25 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and scattered showers. Colder on Friday.

Today:
A mixture of sunshine and scattered showers. These showers could be heavy at times and often blustery too with winds continuing to strengthen through the day. Maximum temperature 14 deg C (57 deg F).

Tonight:
A cloudy evening for most with outbreaks of rain. By dawn, a more organised band of rain, heavy at times, will push across the region with associated strong gusts. Minimum temperature 5 deg C (41 deg F).

Friday:
Turning colder on Friday with frequent blustery showers continuing throughout day and strong winds. Showers could be heavy at times with the risk of hail and wintry over the hills. Maximum temperature 11 deg C (52 deg F).

Outlook for Saturday to Monday:
Showers will ease during the day on Saturday to leave some bright spells but staying breezy. Cloudy and windy on Sunday and Monday with outbreaks of light rain for some.
